

An aerial photograph of the Warsaw skyline at sunset. The central focus is the Palace of Culture and Science, a massive Stalinist skyscraper with a prominent clock tower and a spire. To its left is the modern, angular Spire skyscraper. The sky is a mix of orange, yellow, and grey, with a few wispy clouds. In the foreground, the classical architecture of the Palace of Culture and Science's base is visible, along with some trees and a parking lot. The word "WARSCHAU" is overlaid in white capital letters on a semi-transparent grey rectangular background in the lower-left quadrant of the image.
